

Badger Box Support Talking Points from Hunger Task Force:

- **Badger Box is 100% Wisconsin foods** purchased by Hunger Task Force, built in Hammond Wisconsin and delivered to 17 hubs across the State.
- Since March 2022 Badger Box has assisted **14,400 households in need each month.**
- Badger Box is funded by ARPA. **Funds have been 100% re-invested into Wisconsin's agricultural economy.**
- Hunger Task Force **has taken 0% for administration for this program** because they are mission driven and have private donor support.
- **Badger Box vendors are small and medium sized farmers, ranchers, growers, cooperatives, and food producers. Badger Box saved some farms!**
- Ending Emergency Allotments, BadgerCare and inflation resulted in poor timing to aid State support.
- Share your personal experience with the program
- Thank Governor Evers for his previous extension of the program, and urge him to do it again!
