5. Please review Farmshed's following guidelines and sign off on your commitment below:
  - a. **Wash your hands often!**
  - b. **Social Distancing will be maintained.** Only six people will be allowed in the kitchen per shift to ensure proper distancing.
  - c. **Stay home if you are not feeling well.** Although we value our time together, you will be asked to head home if you exhibit cough or flu like symptoms.
  - d. **Practice respiratory etiquette.** To reduce the spread of germs, please cover your mouth when you cough or sneeze.
  - e. **Farmshed will provide masks and shields that must be worn at all times.** As much as we enjoy seeing your smiling faces, we want to keep everyone safe and comfortable.
  - f. **Wipe down surfaces at the end of the shift.** You can find disinfectant sprays, gloves, and paper towels in the cabinet under the microwave.
  - g. **Do not share equipment.** Be mindful of what you are touching, and do not use others knives, cutting-boards, chairs or work tools. Persons in charge of dishes will be wearing gloves to ensure proper protection and sanitation.
  - h. **Reach out to each other.** The best part of Farmshed is the caring community we share. If you are noticing someone is not attending events or feeling anxious about COVID-19 news, reach out to see how they are doing.
  - i. **Stay informed and follow CDC quarantine guidelines.** - [www.dhs.wisconsin.gov](http://www.dhs.wisconsin.gov)
